

## EMS - CONTINUING EDUCATION

Please identify three things that you learned from today's presentation and how you will apply it to your practice.

**Example:** COURSE TITLE: \_\_\_\_\_ DATE: \_\_\_\_\_

Lesson learned:

I learned that spinal immobilization can be beneficial in the intubated patient to prevent the ET tube from being dislodged during transport

Application to practice:

Whenever possible I will apply spinal immobilization to patients that are intubated prior to transport.
