

Don't Trash Those Trees!

Christmas trees should not end up in the landfill. Please put your trees out on the curb on any regular green can day, starting the week after New Year's. Mill Valley Refuse will not pick up trees left by garbage cans.

In order for Mill Valley Refuse to pick up your tree, you **MUST REMOVE** all ornaments, tinsel and **METAL STANDS** from your tree (wooden stands are OK). Cut any tree over five feet tall in half so it can be easily handled. Flocked trees are OK to put out.

Back Injury Alert!

In order for the Mill Valley Refuse drivers to avoid back injuries, **ALL** trees **MUST** be cut into five foot lengths or they will not be taken. Thank you for your consideration.

For more information Please call Mill Valley Refuse at (415) 457-9760
